Cross border travel

Cross border travel is not usually permitted. Minimum compulsory documentation

It is compulsory to provide a valid driver's license and also considered valid in the destination country; and proof of identity as well as a valid credit

card with enough funds to secure a deposit when collecting the rental car. International rentals may have different driver license requirements. We strongly advise you check individual country or car rental supplier requirements as an international driving license may be mandatory.

Where the car cannot be picked up due to insufficient or invalid documentation or failure to provide a valid credit card, this will be treated as a 'No Show', which means you will not be entitled to a refund of money paid.

Please consider that credit card holder needs to be the same as the main driver.

Compulsory Documentation

Prepayment: Full rental price due at time of reservation. At pick-up a valid credit card in main driver's name is required as a guarantee. Prepaid or debit cards, such as Maestro, Visa electron, Visa Premier or Carte Bleue are not accepted.
